

SSCA Community Park Off-Leash Area Dog Rules

- A. SSCA has provided a designated off-leash area for members in good standing at the west side of the Community Park over the gated bridge. There your dog(s) are free to run, roll over, meet new friends, work out, play with owners and socialize with other canine friends. Have fun, but play safe by following our SSCA Off-Leash Area Rules. Please remember you're charged with providing a safe, healthy and caring environment where animals and people can co-exist
- B. At SSCA it is unlawful for the owner or custodian of a dog to cause, permit, or allow such dog to roam, run, stray, or to be away from the premises of such owner or custodian and to be on any SSCA owned land or the private property of another in SSCA, unless such dog while away from such premises is controlled by a leash or chain not more than eight feet in length. To carry out this mission, the Pacific County Sheriff's office actively enforces the Pacific County's Leash law 6.04.010. Pacific County Sheriff at **360-642-9397** (non-emergency).
